Manuscript Submission Statement Form

Instructions: A copy of this form, with signatures included from **ALL authors** on the manuscript, must accompany every new manuscript submission before it will be considered for review. Please fully complete to eliminate delays in submission. Add one more page if there are many authors. Please scan this completed form and attach it electronically during the submission process. If you do not submit the Manuscript Submission Statement, your manuscript will not be reviewed.

Manuscript title (printed): Profiling Sparse-Index Gradient Accumulation in Backpropagation: A PyTorch CUDA Study of Embedding, Index-Add, and Scatter-Add Paths

Statement：

1. This manuscript has been submitted solely to *Frontiers of Computer Science* and has not been published, in press, or submitted elsewhere.
2. All authors agree to submit this manuscript to *Frontiers of Computer Science*.
3. This manuscript must not be under consideration for any other publication while it is being considered by *Frontiers of Computer Science*.
4. All authors must acknowledge that this manuscript should be published in *Frontiers of Computer Science* once it is accepted.
5. The manuscript **is ( ) / is not (√)** a major original scientific and technological achievement and **is (√) / is not ( )** a personal representative work of the first author or corresponding author. (Please check and fill in √)

ALL author(s) names (in order of appearance on the manuscript title page):
